

Melissa

Mercyful Fate

I'm kneeling in front of the altar
Satan's cross upon the wall
Strange emptiness, a crystal ball between two candles
Melissa has entered another lifeMelissa, you were mine
Melissa, you were the lightShe was a witch
Why did they take you away?Melissa, you were the queen of the night
Melissa, you were my light
I swear revenge on the priest
The priest must die
He must die in the name of HellMelissa, can you hear me?
Melissa, are you there?
Nothing is left outside at the stake
