

# Cruel World

## Active Child

I dedicate my life  
To something richer  
And all the things that come  
'Cause that's no price at all  
And I know you'll be there  
And I want you to know I care because  
Keep your head up, hold your head up even though  
It's a cruel world  
Count your blessings, you won't need them when you're gone  
It's a cruel world  
You can't see it, you can't see it even though  
It's a cruel world  
We're thrown into this life  
No raft, no savior  
Masked in self-contempt  
And wrapped in cotton cloth  
And it's just like a prayer  
The way you showed me you care to be there and because  
Keep your head up, hold your head  
up even though  
It's a cruel world  
Count your blessings, you won't need them when you're gone  
It's a cruel world  
You can't see it, you can't see it even though  
It's a cruel world  
Cruel world  
Cruel world  
Cruel world  
Cruel world  
Cruel world  
Cruel world  
Cruel world  
Cruel world  
Cruel world  
Keep your head up, hold your head up even though  
It's a cruel world (Cruel world)  
Count your blessings, you won't need them when you're gone  
It's a cruel world (Cruel world)  
You can't see it, you can't see it even though  
It's a cruel world  
Cruel world  
Cruel world  
Cruel world
