

The Rip Tide

Beirut

And this is the house where I
I feel alone
Feel alone now And this is the house where I
Could be unknown
Be alone now Soon the waves and I
Found the rolling tide
Soon the waves and I
Found the rip tide
This is the house where I
I feel alone
Feel alone now And this is the house where I
Could be unknown
Be alone now Soon the waves and I
Found the rolling tide
Soon the waves and I
Found the rip tide
Soon the waves and I
Found the rolling tide
Soon the waves and I
Found the rip tide
