

Let's Be Us Again

Lonestar

Tell me what I have to do tonight
'Cause I'd do anything to make it right
Let's be us again I'm sorry for the way I lost my head
I don't know why I said the things I said
Let's be us again Here I stand
With everything to lose
And all I know is I don't want to ever see the end
Baby please, I'm reaching out for you
Won't you open up your heart and let me come back in
Let's be us again
Oh us again Look at me, I'm way past pride
Isn't there some way that we can try
To be us again
Even if it takes a while
I'll wait right here until I see that smile
That says we're us again Here I stand
With everything to lose
And all I know is I don't want to ever see the end
Baby please, I'm reaching out for you
Won't you open up your heart and let me come back in
Let's be us Baby baby what would I do
I can't imagine life without you
Here I stand
With everything to lose
And all I know is I don't want to ever see the end
Baby please, I'm reaching out for you
Won't you open up your heart and let me come back in Oh, here I am
I'm reaching out for you
So won't you open up your heart and let me come back in
Let's be us again Oh let's be us again
