

English Song

Brigitte

One, two
One, two, three
I love you
Baby, come on
Baby, come o-o-on
I love you
Baby, come on
Baby, come o-o-on
Two or three
Words for an English song
From a girl (who) speak English
Only when she's alone
In her shower
Or karaoké
When she drinks too much
Of diet coke whiskey
They say
Come on, baby
Come on, baby
Do you love me?
Do you want to sing my song?
I know you
And you know me, so
Please don't leave me alone
Two or three
Words and a lovely smile
From a girl (who) speak English
As a Spanish cow
Under the moon
She dreams of Hollywood
Of Elvis,
Of Memphis,
And Johnny Be-Good
She say,
Come on, baby
Come on, baby
Do you love me?
Do you want to sing my song?
I know you
And you know me, so
Please don't leave me alone
Ah-Ah-Ah-Ah-Ah

Please don't leave me alone
(Ah-Ah-Ah-Ah-Ah-Ah)
Alo-o-one
Alo-one
I'm a French girl far from L.A.
And I hope one day I can
I wish,
I could,
I speak Anglais
To say-y
Yeaaaaah
Baby, come on
Baby, come on
I love you
Baby, come on
Baby, come o-o-on
