

# Sulfur

## Slipknot

My guilt and my shame  
Always sell me short, always feel the same  
And my face and my soul  
Always wear me thin, always under control  
But the longest hours you'll have in your life  
Are the ones you sit through to know if you're right  
So I'll wait, but I'll pray that I'm wrong  
Because I think I know what's going on So let me get this straight: The only will is my own  
I do whatever I want and stay alone?  
All my decisions make it  
Untouchable and tainted  
I'm gonna suffer for the rest of my life  
But I will always find a way to survive  
I'm not a failure, but I know what it's like  
I can take it or leave it, or die  
Stay, you don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels Like breathing in sulfur  
My life is undone  
I'm a sinner to most but a sage to some  
And my gods are untrue  
I'm probably wrong, but I'm better than you  
And the longest hours I've had in my life Were the ones I went through to know I was right  
So I'm safe, but I'm a little outside  
I'm gonna laugh when I'm buried alive  
Stay, you don't always know where you stand Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur Stay, you don't always know where you stand  
Till you know that you won't run away  
There's something inside me that feels  
Like breathing in sulfur  
Stay, you don't always know where you stand  
(You don't always know where you stand)  
Till you know that you won't run away  
There's something inside me that feels  
(There's something inside me that feels)  
Like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur  
Like breathing in sulfur

Like breathing in sulfur  
Like breathing in sulfur
