

Rain

Madonna

I feel it
It's coming Rain... feel it on my finger tips
 Hear it on my window pane
Your love's coming down like rain...
 Wash away my sorrow
 Take away my pain
Your love's coming down like rain... When your lips are burning mine
 And you take the time
 To tell me how you feel
 When you listen to my words
 And I know you've heard
 I know it's real
 Rain is what this thunder brings
For the first time, I can hear my heart sing
 Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
 Till I feel your
 Rain... feel it on my finger tips
 Hear it on my window pane
 Your love's coming down like rain...
 Wash away my sorrow, take away my pain
Your love's coming down like rain... When you looked into my eyes
 And you said goodbye
 Could you see my tears...
 When I turned the other way
 Did you hear me say
I'd wait for all the dark clouds bursting in a perfect sky
 You promised me when you said goodbye
 That you'd return when the storm was done
 And now I wait for the light,
I'll wait for the sun, till I feel your
 Rain... feel it on my finger tips
 Hear it on the window pane
 Your love's coming down like rain...
 Wash away my sorrow, take away my pain
Your love's coming down like Here comes the sun
 Here comes the sun
And I say... never go away... Waiting is the hardest thing [It's strange]
I tell myself that if I believe in you [I feel like I've known you before]
 In the dream of you [I want to understand you more]
 With all my heart and all my soul [And more and more]
 That by sheer force of will [When I'm with you]

I will raise you from the ground [I feel like a magical child]
And without a sound you'll appear [Everything strange]
And surrender to me [Everything wild]
To loveRain is what the thunder brings
For the first time, I can hear my heart sing
Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
Till I feel yourRain...
I feel it, it's coming
Your love's coming down like rain...
I feel it, it's coming
Your love's coming down like rain...
Feel it on my finger tips
Hear it on the window pane
Your love's coming down like rain...
Wash away my sorrow, take away my pain
Your love's coming down like rain...I feel it, it's coming
Your love's coming down like rain...
I feel it, it's coming
Your love's coming down like rain...You step out on the mountaintop
And you're free to call my name
Rain...
