

Can U Get Away

2Pac

Whassup? It's 2Pac. Can you get away? Let me come swoop you up. You know I got a man. I
know you got a man but he ain't gon' if I take you out. Of course he gon' mind.
Let me take you to lunch. I'll have you back before he even get home; before anybody see. I
can't. (Aww c'mon!) He ain't gon' let me. Pleeeeease... Nah.
Oh aight. What's wrong with your eye? Why you got on glasses? One: 2Pac
Ever since I met ya I could beat depression
It's like your man don't understand, all he does is stress ya
I can see your state of misery from the introduction
Ain't bout no suckin and touchin, just harmless discussion
Maybe we can see a better way, find a brighter day
Late night phone conversations -- would that be OK? I don't wanna take up all your time, be the
next in line
Tell me your size, let me find you things with you in mind
I can see you're cautious and I'm careful not to scare you
But anticipation of love makin got you shakin when I'm standin near you
News of precision will prepare ya
In case you get scared, just ask the man in the mirror
Now the picture's gotten clearer all he does is hit you hard
I tell you to leave, and you tell me keep my faith in God
I don't understand, I just wanna bring ya home
I wonder should I leave you alone and find a woman of my own
All the homies tell me that you don't deserve it
I contemplate -- but in my heart I know you worth it
Tell me can you get away? Ebony, can you get away? C'mon. let's go. can you get away? Can
you get away?
So much pressure in the air I know, I know And I can't get away Just for a little while love I'm not
happy here I know it's hard but, can you get away? So much pressure in the air Let's go man, get
up outta there . can you get away?
And I can't get away
Do you love him?
I'm not happy here
Do you love that man? Two: 2Pac
Could it be my destiny to be lonely? And checkin for these hoochies that be on me cause they
phony
But you was different -- I got no need to be suspicious
Cause I can tell -- my life with you would be delicious
The way you lick your lips and shake your hips got me addicted
I'm sittin here hoping that we can find some way to kick it
Even though I got your digits gotta struggle to resist it
Slowly advance and miss my chance not to miss it
You blow me kisses when he ain't lookin, now your heart's taken
My only wish is that you change your mind and he get sWanna take you there but you scared to

follow, come see tomorrow
Hoping I can take you through the pain and sorrow
Let you know I care -- that someone's there
for your struggle
Depend on me, when you have needs or there's trouble
I wanna give you
happiness and maybe even more
I told you before, no time to waste we can up at the store
Can
you get away?
So much pressure in the air
I know it is
And I can't get away

Yeah you can

I'm not happy here

You ain't happy huh .can you get away?

So much pressure in the air

I know. is he beatin on you?

And I can't get away

Did he punch you?

I'm not happy here
Throwin you around the house? Three: 2Pac
I see you remiscin and I hope
you listenin
In the position to pressure and offer competition
Me and you -- was meant to be my
destiny, no longer lonely

Cause now it's on for you and me, all I can see
A happy home, that's my fantasy
But my reality
is problems with your man and me
What can I do? Don't wanna lose you to the sucker
Cause if
he touch ya, I got some drama for that busta
Don't wanna rush ya -- but make your mind up
fast
Nobody knows -- on who controls will it last, before I ask

I hope you see that I'm sincere, and even if you stay with him today I'm still here

I refuse to give up -- cause I believe in what we share

You're livin in prison and what he's givin can't compare

Cause everything I feel for you I wanna let you know

Passion it be yours and I'll never let you go

Tell me can you get away?

So much pressure in the air

Can't get away. why?

And I can't get away

I'm not happy here

Let me take you away All I really know, can you get away?

So much pressure in the air

Man.

And I can't get away

Course you can get away

I'm not happy here

If you really wanted to get away you could get away

2Pac

You ain't got to go through all this drama and this stress
with this old half a man, yaknowwhat
I'msayin? I ain't tryin to put you in a position
where you gotta give up your lifestyle for
everything
you need but now. he ain't even takin care of you

He beatin on you and shit; look how you look

She motherfuckin wanna be with that nigga, yaknowwhat

I'msayin? Shake that sucker to the left

Let me show you what this life is really about

Yaknowwhat

I'msayin? You need to be on first class

Need to be goin to Hawaii, seein the world

Seein what this world got to offer you

Not goin to, yaknowwhat

I'm sayin? The emergency room, gettin stitches cause this nigga done got jealous
Don't cry, it's all good
Can you take me from here?
Shake that man, get away
Can you take me from here? I'ahhhhhm unhappy here And I need you to show me love Because
