

# Can U Get Away

## 2Pac

Whassup? It's 2Pac. Can you get away? Let me come swoop you up. You know I got a man. I know you got a man but he ain't gon' if I take you out. Of course he gon' mind. Let me take you to lunch. I'll have you back before he even get home; before anybody see. I can't. (Aww c'mon!) He ain't gon' let me. Pleeeeease... Nah.

Oh aight. What's wrong with your eye? Why you got on glasses? One: 2Pac  
Ever since I met ya I could beat depression  
It's like your man don't understand, all he does is stress ya  
I can see your state of misery from the introduction  
Ain't bout no suckin and touchin, just harmless discussion  
Maybe we can see a better way, find a brighter day

Late night phone conversations -- would that be OK? I don't wanna take up all your time, be the next in line  
Tell me your size, let me find you things with you in mind  
I can see you're cautious and I'm careful not to scare you  
But anticipation of love makin got you shakin when I'm standin near you  
News of precision will prepare ya  
In case you get scared, just ask the man in the mirror  
Now the picture's gotten clearer all he does is hit you hard  
I tell you to leave, and you tell me keep my faith in God  
I don't understand, I just wanna bring ya home  
I wonder should I leave you alone and find a woman of my own  
All the homies tell me that you don't deserve it  
I contemplate -- but in my heart I know you worth it

Tell me can you get away? Ebony, can you get away? C'mon. let's go. can you get away? Can you get away?

So much pressure in the air I know, I know And I can't get away Just for a little while love I'm not happy here I know it's hard but, can you get away? So much pressure in the air Let's go man, get up outta there . can you get away?  
And I can't get away  
Do you love him?  
I'm not happy here  
Do you love that man? Two: 2Pac

Could it be my destiny to be lonely? And checkin for these hoochies that be on me cause they phony  
But you was different -- I got no need to be suspicious  
Cause I can tell -- my life with you would be delicious  
The way you lick your lips and shake your hips got me addicted  
I'm sittin here hoping that we can find some way to kick it  
Even though I got your digits gotta struggle to resist it  
Slowly advance and miss my chance not to miss it  
You blow me kisses when he ain't lookin, now your heart's taken  
My only wish is that you change your mind and he get sWanna take you there but you scared to

follow, come see tomorrow  
Hoping I can take you through the pain and sorrow  
Let you know I care -- that someone's there  
for your struggle  
Depend on me, when you have needs or there's trouble  
I wanna give you  
happiness and maybe even more  
I told you before, no time to waste we can up at the store  
Can  
you get away?  
So much pressure in the air  
I know it is  
And I can't get away

Yeah you can

I'm not happy here

You ain't happy huh .can you get away?

So much pressure in the air

I know. is he beatin on you?

And I can't get away

Did he punch you?

I'm not happy here  
Throwin you around the house? Three: 2Pac  
I see you remiscin and I hope  
you listenin  
In the position to pressure and offer competition  
Me and you -- was meant to be my  
destiny, no longer lonely

Cause now it's on for you and me, all I can see  
A happy home, that's my fantasy  
But my reality  
is problems with your man and me  
What can I do? Don't wanna lose you to the sucker  
Cause if  
he touch ya, I got some drama for that busta  
Don't wanna rush ya -- but make your mind up  
fast  
Nobody knows -- on who controls will it last, before I ask

I hope you see that I'm sincere, and even if you stay with him today I'm still here

I refuse to give up -- cause I believe in what we share

You're livin in prison and what he's givin can't compare

Cause everything I feel for you I wanna let you know

Passion it be yours and I'll never let you go

Tell me can you get away?

So much pressure in the air

Can't get away. why?

And I can't get away

I'm not happy here

Let me take you away All I really know, can you get away?

So much pressure in the air

Man.

And I can't get away

Course you can get away

I'm not happy here

If you really wanted to get away you could get away

2Pac

You ain't got to go through all this drama and this stress  
with this old half a man, yaknowhat  
I'msayin? I ain't tryin to put you in a position  
where you gotta give up your lifestyle for  
everything  
you need but now. he ain't even takin care of you

He beatin on you and shit; look how you look

She motherfuckin wanna be with that nigga, yaknowhat

I'msayin? Shake that sucker to the left

Let me show you what this life is really about

Yaknowhat

I'msayin? You need to be on first class

Need to be goin to Hawaii, seein the world

Seein what this world got to offer you

Not goin to, yaknowhat

I'm sayin? The emergency room, gettin stitches cause this nigga done got jealous  
Don't cry, it's all good  
Can you take me from here?  
Shake that man, get away  
Can you take me from here? I'ahhhhhm unhappy here And I need you to show me love Because  
it's so much pressure now And I neeeded to get awayyheyyeahhh
