

# Save Me

## Jem

Save me  
Save me  
Save me I've gotta stop my mind  
Working overtime  
It's driving me insane  
It will not let me live  
Always so negative  
It's become my enemy Save me  
Save me  
Save me  
Save me  
Save me  
Save me  
Why would I think such things  
Crazy thoughts have quick wings  
Gaining momentum fast  
One minute I am fine  
The next I've lost my mind  
To a fake fantasy And none of these thoughts are real  
So why is it that I feel  
So cut up and so bad  
I need to take control  
'Cause my mind is on a roll  
And it isn't listening to me Save me  
Save me  
Save me  
Save me  
Save me  
Save me  
Mirror mirror on the wall  
Who's the dumbest of them all  
Insecurities keep growing  
Wasted energies are flowing  
Anger, pain and sadness beckon  
Panic sets in in a second  
Be aware it's just your mind  
And you can stop it anytime Save me  
Save me  
Save me  
Save me  
Save me  
Save me OK so here we go

If it works I'll let you know  
One two three I say stop
