

# Ungodly Hour

Chloe x Halle

Hit me with your eyes  
I never seen that kind of view  
You walkin' over here The way that it went down, that's when I knew  
We be talkin' all night  
But I can tell you need to work on you, you, you  
Like you, you, you, like you  
Like you, mmm You be playin' sweet  
But, baby, don't you know that talk is cheap  
Can't fool me  
I wish that you could back it up for me, me, me  
Like me, me, me, like me  
You know that I, I heard it all before  
You're hesitant, but you could give me more  
I know you like to play those silly games  
When you're done, call my name When you decide you like yourself (Holler at me)  
When you decide you need someone (Call up on me)  
When you don't have to think about it  
Love me at the ungodly hour  
When you decide you like yourself (Holler at me)  
When you decide you need someone (Call up on me)  
When you don't have to think about it  
Love me at the ungodly hour I don't have the time  
To teach you how to love all over again  
And let me ask you this  
Are you givin' all that you could give?  
Once you get it right  
Baby, just know I want you here, come here  
Right here  
You know that I, I heard it all before  
You're hesitant, but you could give me more  
I know you like to play those silly games  
When you're done, call my name When you decide you like yourself (Holler at me)  
When you decide you need someone (Call up on me)  
When you don't have to think about it  
Love me at the ungodly hour  
When you decide you like yourself (Holler at me)  
When you decide you need someone (Oh, call up on me)  
When you don't have to think about it  
Love me at the ungodly hour Love me  
Love me, love me, love me, love me  
Love me  
Love me, love me, love me, love me (Ah)

Love me (Ah)  
Love me, love me, love me, love me (Ah, ah)  
Love me (Ah)  
Love me, love me, love me, love me  
Ah, ah, ah  
Ah, ah, ah  
Won't you love me? When you decide you like yourself (Holler at me, babe)  
When you decide you need someone (Call up on me, baby boy)  
When you don't have to think about it  
Love me at the ungodly hour  
When you decide you like yourself (Holler at me)  
When you decide you need someone (Call up on me)  
When you don't have to think about it  
Love me at the ungodly hour When you decide you like yourself (Holler at me)  
When you decide you need someone (Call up on me)  
When you don't have to think about it  
Love me at the ungodly hour  
When you decide you like yourself (Holler at me)  
When you decide you need someone (Call up on me)  
When you don't have to think about it  
Love me at the ungodly hour Yeah, baby, baby  
Won't you love me? Won't you love me?  
Won't you hold me? Won't you?  
Love me at the ungodly hour  
Yeah  
Love me at the ungodly hour  
Won't you love me?  
Won't you love me, love me, love me, love me?  
(Love me at the ungodly hour)
