

# Secrets

## Regard & Raye

I don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyesHe's keeping secrets  
I don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyes  
He's keeping secretsWhat a way to drop a bombshell baby  
Guess you really didn't think I'd found out  
Hear the silence crying  
In the room on the side with the lights out  
Know what you're feeling, oh-oh  
Know what you're feeling, oh-oh  
Fuckin' on my heart and head  
(And again and again and again and again)  
Fallen out of love again, yeah  
(And again and again and again and again)  
Rollin' up my blunt in bed (In my bed, in my bed, in my bed, in my bed)  
Fallen out of love again  
It's been a very, very long night  
Sittin' with my girls, sippin' wine likeI don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyes  
He's keeping secrets  
I don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyes  
He's keeping secrets  
Oh-oh-oh, oh-oh, woah-oh  
I'ma have to take a mugshot, baby  
What you're doin' to me is criminal, out here  
On my knees, I'm prayin'  
In the room, on the floor with the lights down  
Clothes in the kitchen, oh-oh-oh  
I'ma light it and leave it for youFuckin' on my heart and head  
(And again and again and again and again)  
Fallen out of love again, yeah  
(And again and again and again and again)  
Rollin' up my blunt in bed (In my bed, in my bed, in my bed, in my bed)  
Fallen out of love again  
It's been a very, very long night  
Sittin' with my girls, sippin' wine likeI don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you

There's something in his eyes  
He's keeping secrets  
I don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyes  
He's keeping secrets  
Oh-oh-oh, oh-oh, woah-oh I don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyes  
He's keeping secrets  
I don't know 'bout you, 'bout you  
'Bout you, you-you-you-you-you  
There's something in his eyes  
He's keeping secrets
