MadeinTYO

Oh, K Swisha
Oh, yeah
Oh, yeahShe say Mr. Tokyo, do your thing
I don't need it baby girl, do your thing
Iced out hockey diamond ring
This my first time baby, but ain't new to things
Give me the beat I eat
My shawty bad, you seen it
Smokin' that Halloween, smokin' that Halloween
Give me the beat I eat
My shawty bad, you seen it
Smokin' that Halloween, smokin' that Halloween
Diamonds on me lookin' like some rain drops
Maybe I should get the 'Rari or the Maybach
Drop that new shit, woah
Drop that new shit, woah
Teach you like a student, woah
He bootied, woah
Okay they mad at me, pour the gasoline
I'm bout to fire up it, I'm bout to fire up it

Pour the gasoline, oh they mad at me, woah
I'm bout to fire up it, I'm bout to fire up it
I'm bout to fire up it, I'm bout to fire up it
I'm bout to fire up it, I'm bout to fire up it
She say Mr. Tokyo, do your thing
I don't need it baby girl, do your thing
Iced out hockey diamond ring
This my first time baby, but ain't new to things
Give me the beat I eat
My shawty bad, you seen it
