

# Radioactive

Rita Ora

Palms to the sky  
We unite  
I'm feeling, feeling, feeling Fe-feeling it  
We rise tonight I'm checkin' you out in your sweet desire  
I'm comin' over to make you mine  
It's a crime boy, you so fine  
I'm checkin' you out boy it's a green light  
I'm glad you came over it was about time  
It feels right, boy you're so fine This love's radioactive  
Drop the bomb let me feel the beat  
This love's radioactive  
Drop the bomb let me feel the beat  
Palms to the sky  
You and I  
I'm feeling, feeling, feeling Fe- feeling it  
We rise tonight  
Palms to the sky  
We unite  
I'm feeling, feeling, feeling Fe- feeling it  
We rise tonight Moving on beat as the world ends  
This nuclear heat is a beautiful end  
You might not live to tell-el-el-el-el-el-el This love's radioactive  
Drop the bomb let me feel the beat  
This love's radioactive  
Drop the bomb let me feel the beat  
Palms to the sky  
You and I  
I'm feeling, feeling, feeling Fe- feeling it  
We rise tonight  
Palms to the sky  
We unite  
I'm feeling, feeling, feeling Fe- feeling it  
We rise tonight Palms to the sky  
You you you you and I  
Palms to the sky  
You you you you and I  
Palms to the sky  
You you you you and I  
We rise tonight Palms to the sky  
You and I  
I'm feeling, feeling, feeling Fe- feeling it  
We rise tonight

Palms to the sky  
We unite  
I'm feeling, feeling, feeling Fe- feeling it  
We rise tonightWe unite  
You and I react tonight  
We unite  
You and I react tonight  
We unite  
You and I react tonight  
You and I react tonight
