

I've Got Dreams to Remember

Buddy Guy

I've got dreams, dreams to remember
I've got dreams, dreams to remember Honey, I saw you last night
An another mans arms holding you tight
Nobody knows what I feel inside
All I know, I just walked away and cried I've got dreams, dreams to remember
I've got dreams, dreams to remember I know you said he was just a friend
But I saw him kissing again and again
These eyes of mine, they don't fool me
Why did he hold you so tenderly? I've got dreams, dreams to remember
I've got dreams, dreams to remember
Rough dreams
I still want you to stay
I still love you anyway
I don't want you to ever leave
Girl, you just satisfy me I know you said he was just a friend
But I saw you kiss him again and again
These eyes of mine don't fool me
Why did he hold you so tenderly? I've got dreams, dreams to remember
Listen, mama
I've got dreams, dreams to remember
Listen to me, mama Don't make me suffer
Don't let me, don't let me suffer
(I've got dreams, dreams to remember)
Don't, don't do it
Don't do it baby, don't make me suffer
Don't let me, don't let me
Don't let me suffer, no, no, no
Don't, don't, don't let me suffer Bad dreams
Don't you, don't you, don't you let me
Don't you, you, you got me where you wanted now
Don't make me, don't make me suffer
