Lost in Paradise

Evanescence

I've been believing in something so distant As if I was human And I've been denying this feeling of hopelessness In me, in meAll the promises I made Just to let you down You believed in me, but I'm brokenI have nothing left And all I feel is this cruel wanting We've been falling for all this time And now I'm lost in paradise As much as I'd like the past not to exist It still does And as much as I'd like to feel like I belong here I'm just as scared as youI have nothing left And all I feel is this cruel wanting We've been falling for all this time And now I'm lost in paradiseRun away, run away One day we won't feel this pain anymore Take it all the way, shadows of you Cause they won't let me go 'Till I have nothing left And all I feel is this cruel wanting We've been falling for all this time And now I'm lost in paradiseAlone and lost in paradise Song Discussions is protected by U.S. Patent 9401941.
