Remember When It Rained

Josh Groban

Wash away the thoughts inside That keep my mind away from you No more love and no more pride And thoughts are all I have to doOoo ooh, remember when it rained I felt the ground and looked up high and called your name Ooo ooh, remember when it rained In the darkness I remainTears of hope run down my skin Tears for you that will not dry They magnify the one within And let the outside slowly die Ooo ooh, remember when it rained I felt the ground and looked up high and called your name Ooo ooh, remember when it rained In the water I remainRunning down Running down Running down Running down Running down Running down Running down Ahh ahh ahh na na Na na na Ohh ohh ahh na na Running down
