

# Everything Has Changed (feat. Ed Sheeran)

Taylor Swift

All I knew this morning when I woke  
Is I know something now, know something now  
I didn't before And all I've seen since eighteen hours ago  
Is green eyes and freckles  
And your smile in the back of my mind making me feel right I just want to know you better  
Know you better, know you better now  
I just want to know you better  
Know you better, know you better now I just want to know you better  
Know you better, know you better now  
I just want to know you  
Know you, know you Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name  
Is everything has changed  
All I know is you held the door You'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed  
And all my walls Stood tall painted blue  
But I'll take them down  
Take them down and open up the door for you.  
And all I feel in my stomach is butterflies The beautiful kind, making up for lost time  
Taking flight, making me feel right  
I just want to know you better  
Know you better, know you better now  
I just want to know you better  
Know you better, know you better now  
I just want to know you better Know you better, know you better now  
I just want to know you  
Know you, know you  
'Cause all I know is we said hello And your eyes look like coming home  
All I know is a simple name  
Is everything has changed  
All I know is you held the door You'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed  
Come back and tell me why I'm feeling like I've missed you all this time  
And meet me there tonight  
And let me know that it's not all in my mind  
I just want to know you better Know you better, know you better now  
I just want to know you  
Know you, know you  
All I know is we said hello Your eyes look like coming home

All I know is a simple name  
Is everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed.  
All I know is we said hello  
So dust off your highest hopes  
All I know is pouring rain  
And everything has changed  
All I know is a newfound brightness  
All my days I'll know your face  
All I know since yesterday  
Is everything has changed
