Miss Me

Andy Grammer

I wake up and I'm sober Don't even know you anymore Punch drunk on a feeling Lost in believing I was sureI don't care what you have to say Damn words get in the way, I don't wanna know I know there'll come a time When I look you in the eyes and say, "I told you so"And I promise you this You're gonna miss me, miss me As long as you live You're gonna miss me, miss me Oh Set me up for the falling Gave me no warning, you were gone Let me down, I was reading I can't believe what you have doneGo do what you've gotta do Damn words will follow you everywhere you go And I know there'll come a time When I look you in the eyes and say, "I told you so"And I promise you this You're gonna miss me, miss me As long as you live You're gonna miss me, miss me OhI believe in my heart When something's wrong, say it's wrong I can deal with the part When something's wrong if we both stay strong I know there will come a time When I look you in the eyes and say, "I told you so" And I promise you this You're gonna miss me, miss me As long as you live You're gonna miss me, miss me Oh, oh, oh, oh, oh Oh, oh, oh, ohI wake up and I'm sober Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
