

# Top of the World

## Van Halen

Hey, baby, whew! I know that you believe in me,  
That's all I ever need, uh huh.  
No, no, nothing's gonna stop me,  
Nothing will be scaring me, oh no! Hey baby, it's the only way out  
Oh, little darling,  
C'mon what's it all about? (Chorus #1)  
Standing on top of the world  
For a little while.  
Standing on top of the world  
Gonna give it all we got.  
Oh, I know know you wanna touch,  
I gotta have a little taste  
I just wanna sink my teeth in that  
Fine piece of real estate, yeah! Hey baby, make it nice and sweet,  
Oh, little darling  
Let's take a walk down easy street (Chorus #2)  
Standing on top of the world,  
For a little while.  
Standing on top of the world  
Let's give it all we got! Ooh ooh  
Baby, gotta feeling, ooh ooh,  
Oh, I wanna touch it, now, ooh ooh ooh,  
See the whole wide world turn upside down. (Guitar Intermission)  
Hey, baby, whew!  
Someday, we'll be (Chorus #3)  
Standing on top of the world  
For a little while  
Standing on top of the world  
Till we got stung.  
Standing on top of the world  
For a little while.  
Standing on top of the world  
Gonna give it all we got.  
(standing on top) hey, baby.  
(standing on top) hey darling  
Standing on top,  
Standing on top,  
Standing on top
