

# How Do I Get There

Deana Carter

We've always been the best of friends  
No secrets and no demands  
But suddenly from somewhere out of the blue  
I see a different light around you  
One thing I haven't told you, I just wanna hold you  
Never let go, I need to know  
How do I get there from here?  
How do I make you see?  
How do I tell you what my heart's been tellin' me?  
Lost in your lovin' arms, it's where I wanna be  
You know I love you  
How do I get there?  
You probably think I lost my mind  
Takin' this chance, crossin' that line  
But I promise to be truer than true  
Dreaming every night with these arms around you  
I can't wait any longer, this feeling's gettin' stronger  
Help me find a way  
How do I get there from here?  
How do I make you see?  
How do I tell you what my heart's been tellin' me?  
Lost in your lovin' arms, it's where I wanna be  
You know I love you  
How do I get there?  
The shortest distance between two points is a straight line  
But I'll climb any mountain that you want me to climb  
The perfect combination is your heart and mine  
Darlin', won't you give me a sign?  
How do I get there from here?  
How do I make you see?  
How do I tell you what my heart's been tellin' me?  
Lost in your lovin' arms, that's where I wanna  
be  
You know I love you  
(How do I get there?)  
How do I get there from here?  
How do I make you see?  
How do I tell you what my heart's been tellin' me?  
Lost in your lovin' arms, that's where I wanna  
be  
You know I love you  
How do I get there from here?  
You know I love you  
How do I get there from here?  
You know I love you
