

# I Love You Goodbye

Nina

Wish I could be the one  
The one who could give you love  
The kind of a love you really need  
Wish, I could say to you  
That I'll always stay with you  
But baby, that's not me  
You need someone  
Willing to give their heart and soul to you  
Promise you forever  
But baby, that's something I can't do  
Oh, I could say that I'll be all you need  
But that would be a lie  
I know I'd only hurt you, I know I'd only make you cry  
I'm not the one you're needing, I love you goodbye  
I hope someday you can  
Find some way to understand  
I'm only doing this for you  
I don't really wanna go  
But deep in my heart I know  
This is the kindest thing to do  
You'll need someone  
Who'll be the one that I could never be  
Who'll give you something better  
Than the love you find with me  
Oh, I could say that I'll be all you need  
But that would be a crime  
I know I'd only hurt you, I know I'd only make you cry  
I'm not the one you're needing, I love you goodbye  
Leaving someone when you love someone  
It is the hardest thing to do when you love someone  
As much as I love you, oh, I don't wanna leave you  
Baby, it tears me up inside but I'll never be the one you will need eh  
I love you goodbye  
Baby, It's never gonna work out  
I love you goodbye
