

I Love You Goodbye

Nina

Wish I could be the one
The one who could give you love
The kind of a love you really need
Wish, I could say to you
That I'll always stay with you
But baby, that's not me
You need someone
Willing to give their heart and soul to you
Promise you forever
But baby, that's something I can't do
Oh, I could say that I'll be all you need
But that would be a lie
I know I'd only hurt you, I know I'd only make you cry
I'm not the one you're needing, I love you goodbye
I hope someday you can
Find some way to understand
I'm only doing this for you
I don't really wanna go
But deep in my heart I know
This is the kindest thing to do
You'll need someone
Who'll be the one that I could never be
Who'll give you something better
Than the love you find with me
Oh, I could say that I'll be all you need
But that would be a crime
I know I'd only hurt you, I know I'd only make you cry
I'm not the one you're needing, I love you goodbye
Leaving someone when you love someone
It is the hardest thing to do when you love someone
As much as I love you, oh, I don't wanna leave you
Baby, it tears me up inside but I'll never be the one you will need ehhhh
I love you goodbye
Baby, It's never gonna work out
I love you goodbye
