I Love You Goodbye

Nina

Wish I could be the one The one who could give you love The kind of a love you really needWish, I could say to you That I'll always stay with you But baby, that's not meYou need someone Willing to give their heart and soul to you Promise you forever But baby, that's something I can't doOh, I could say that I'll be all you need But that would be a lie I know I'd only hurt you, I know I'd only make you cry I'm not the one you're needing, I love you goodbye I hope someday you can Find some way to understand I'm only doing this for youI don't really wanna go But deep in my heart I know This is the kindest thing to doYou'll need someone Who'll be the one that I could never be Who'll give you something better Than the love you find with meOh, I could say that I'll be all you need But that would be a crime I know I'd only hurt you, I know I'd only make you cry I'm not the one you're needing, I love you goodbye Leaving someone when you love someone It is the hardest thing to do when you love someone As much as I love you, oh, I don't wanna leave you Baby, it tears me up inside but I'll never be the one you will need ehhhh I love you goodbyeBaby, It's never gonna work out I love you goodbye Song Discussions is protected by U.S. Patent 9401941.
