

Somewhere Trouble Don't Go

Miranda Lambert

Devil had a daughter
Took him to deep water
Tried to kill him with a kiss
He said "Hey now honey
What about the money"
I said "I ain't got time for this"[Chorus]
Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know
He said baby come inside
I said sorry I've got to ride
Sorry but I've got to ride
You know you could end up dead
Sleeping in the devil's bed
Sleeping in the devil's bed[Repeat Chorus]
Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know
Baby wants to drive my car
But he wants to go too far
But he wants to go too far
First comes love and it's so fine
Then comes heartache right behind
Then comes heartache right behind
My baby used to be so sweet
Now he won't come down my street
Now he won't come down my street
All my plans got derailed
He locked up my heart in jail
He locked up my heart in jail[Repeat Chorus]
Take me, take me somewhere trouble don't go
Make me, make me someone trouble don't know
