

Cry for Help

Rick Astley

She's taken my time
Convinced me she's fine
But when she leaves
I'm not so sure It's always the same
She's playing her game
And when she goes
I feel to blame Why won't she say
She needs me?
I know she's not
As strong as she seems
Why don't I see
Her cry for help?
Why don't I feel
Her cry for help?
Why don't I hear
Her cry for help? I wandered around
The streets of this town
Trying to find sense in it all The rain on my face
It covers the trace
Of all the tears
I've had to waste Why must we hide emotions?
Why must we never break down and cry?
All that I need
Is to cry for help
Somebody please hear me
Cry for help
All I can do
Is cry for help No need to feel ashamed
Release the pain
Cry for help Cry for help
Is all I need
All I need
Is a cry for help Cry for help
Is all I need
All I need
Is a cry for help Why must we hide emotions?
Why can't we ever break down and cry? All that I need
Is to cry for help
I will be there
When you cry for help
Why don't I hear
Her cry for help?

All that I need
Is to cry for help
Somebody please hear me
Cry for help
All I can do
Is cry for help
All that I need
Is to cry for help
I will be there
When you cry for help
Is it so hard to cry for help?
Cry for help is all I need
No need to feel ashamed
All I need is a cry for help
Come on and release the pain
Cry for help is all I need
Put your trust in me
All I need is a cry for help
My love is gonna set you free
