

# Cry for Help

Rick Astley

She's taken my time  
Convinced me she's fine  
But when she leaves  
I'm not so sure It's always the same  
She's playing her game  
And when she goes  
I feel to blame Why won't she say  
She needs me?  
I know she's not  
As strong as she seems  
Why don't I see  
Her cry for help?  
Why don't I feel  
Her cry for help?  
Why don't I hear  
Her cry for help? I wandered around  
The streets of this town  
Trying to find sense in it all The rain on my face  
It covers the trace  
Of all the tears  
I've had to waste Why must we hide emotions?  
Why must we never break down and cry?  
All that I need  
Is to cry for help  
Somebody please hear me  
Cry for help  
All I can do  
Is cry for help No need to feel ashamed  
Release the pain  
Cry for help Cry for help  
Is all I need  
All I need  
Is a cry for help Cry for help  
Is all I need  
All I need  
Is a cry for help Why must we hide emotions?  
Why can't we ever break down and cry? All that I need  
Is to cry for help  
I will be there  
When you cry for help  
Why don't I hear  
Her cry for help?

All that I need  
Is to cry for help  
Somebody please hear me  
Cry for help  
All I can do  
Is cry for help  
All that I need  
Is to cry for help  
I will be there  
When you cry for help  
Is it so hard to cry for help?  
Cry for help is all I need  
No need to feel ashamed  
All I need is a cry for help  
Come on and release the pain  
Cry for help is all I need  
Put your trust in me  
All I need is a cry for help  
My love is gonna set you free
