Back for You

One Direction

Whenever I close my eyes, I picture you there
I'm looking out at the crowd, you're everywhere
I'm watching you from the stage, yeah
Your smile is on every face now
But every time you wake up, you're hearing me say"Goodbye"Baby, you don't have to worry
I'll be coming back for you, back for you, back for you, you
Lately, I've been going crazy
So I'm coming back for you, back for you, back for you, youI've never been so into somebody before
And every time we both touch, I only want more
So tell me nothing's gonna change, yeah
And you won't ever walk away, yeah
'Cause even though every night, you'll know what I'll say
"Goodbye"Baby, you don't have to worry
I'll be coming back for you, back for you, back for you, you
Lately, I've been going crazy
So I'm coming back for you, back for you, back for you, youRight back for you, oh
Right back for you
Right back for youLately, I've been going crazy
So I'm coming back
Yeah, I am coming back
For youBaby, you don't have to worry
I'll be coming back for you, back for you, back for you, for you
Lately, I've been going crazy
So I'm coming back for you, back for you, back for you, you
Right back for you, right back
Right back for you, right back
Right back for you, right back
Right back for you, youLately, I've been going crazy
So I'm coming back for you, back for you, back for you, you
