

# Other Shit

## Playboi Carti

You on some other shit  
You on some other shit  
I be on other shit  
You on some other shit  
The clip it came with the clip  
My bitch she came with a bitch  
Whip it came with a whip  
You on some other shit  
What, what, I be on other shit  
What, what, I be on other shit  
What, what, you on some other shit  
What, what, you on some other shit  
Your clip came with a clip  
Your bitch came with a bitch  
Saggin' my jeans a bit  
Walk with a limp  
All of them dig on the squad  
Ooh yuh, look at the squad  
All of my niggas got cash  
Don't they look hard  
All of my niggas got rollies  
Ooh yuh, looking like frogs  
Look at that bag of the cash ooh yuh  
Ain't looking at y'all  
Gettin' it in sendin' it out  
Cooking that shit they airing it out  
You on some other shit  
You on some other shit  
I be on other shit  
You on some other shit  
The clip it came with the clip  
My bitch she came with a bitch  
Whip it came with a whip  
You on some other shit  
What, what, I be on other shit  
What, what, I be on other shit
