

# You Complete Me

Keyshia Cole

Can you hear me out there  
Have you ever had someone who loved you  
Never leave your side  
I know you'll be here  
Because you love me... yes you do I'm givin all my life and all my love... if you...  
Promise me you'll be here forever  
I'll give you me I'll give you everything  
If you promise me you'll never leave me What my friends say don't matter  
You'll be right here from the start  
And I'll get on my knees  
I'll give you all of me  
You'll never leave my side  
Because  
You love me  
You complete me  
You hold my heart in your hands  
And it's okay cause I trust that  
You'll be the best man that you can Baby you love me... oh yes you do... yea... And no matter  
what they ever say about you  
I'm gonna stay by your side  
Promise me no matter what they say about me  
That... you're gon' be here til the end of time  
Cause you held me down when no body was around  
And gave me all the love I need  
So give me more don't you ever leave  
Cause you complete me  
I know...  
You love me  
You complete me  
You hold my heart in your hands  
And it's okay cause I trust that  
You'll be the best man that you can Cause you...  
Give me my heart back  
Give me my love back baby  
I want it all  
Because it's never enough  
Give me my heart  
Give me my love back  
I want it all  
Because  
It's never enough You love me  
You complete me

You hold my heart in your hands  
And it's okay cause I trust that  
You'll be the best man that you can You love me  
You complete me  
You hold my heart in your hands  
And it's okay cause I trust that  
You'll be the best man that you can And it's okay...  
I know you do you... I know you do.  
Yes you do... I need you too... yeaahh. I love you baby (ohhh)
