

Love Struck (From Songland)

Boyz II Men

Eh yea yea yea yeah
Eh yea yea yea yeah Love struck, intoxicated
Truth is I know you're taken
Queen of Hearts is the game you're playing
Baby it's hard to fake it
This might get complicated
Oh yeah, yeah Say goodbye but it never ends
You end up in my bed again
In public you don't say nothing
In private you scream my name
I can keep your secret safe
We know it's not right (It's not right)
But she wants one more time, oh no
We both know that it's wrong
If I'm who you want Love struck, intoxicated (yeah yeah yeah yeah)
Truth is I know you're taken (yeah yeah yeah yeah)
Queen of Hearts is the game you're playing (yeah yeah yeah yeah)
Baby it's hard to fake it
This might get complicated This might get
Eh yea yea yea yeah, oh complicated
Eh yea yea yea yeah, ooh oh complicated
Eh yea yea yea yeah, ooh oh yea
Baby it's hard to fake it
This might get complicated
Oh yea yea
Love struck, intoxicated (yeah yeah yeah yeah)
Truth is I know you're taken (yeah yeah yeah yeah)
Queen of Hearts is the game you're playing (yeah yeah yeah yeah)
Baby it's hard to fake it
This might get complicated
This might get
