

Oh My Love (feat. Katyna Ranieri)

[Riz Ortolani](#)

Oh my love
Look and see
The Sun rising from the river
Nature's miracle once more
Will light the world But this light
Is not for those men
Still lost in
An old black shadow
Won't you help me to believe
That they will see
A day
A brighter day
When all the shadows
Will fade away
That day I'll cry
That I believe
That I believe
Oh my love
High above us
The Sun now
Embraces Nature
And from Nature we should learn
That all can start again
As the stars must fade away
To give a bright new day
