

# The Cure

## Lady Gaga

I'll undress you, 'cause you're tired  
Cover you as you desire  
When you fall asleep inside my arms  
May not have the fancy things  
But I'll give you everything  
You could ever want, it's in my arms So baby tell me yes  
And I will give you everything  
So baby tell me yes  
And I will be all yours tonight  
So baby tell me yes  
And I will give you everything  
I will be right by your side  
If I can't find the cure, I'll  
I'll fix you with my love  
No matter what you know, I'll  
I'll fix you with my love  
And if you say you're okay  
I'm gonna heal you anyway  
Promise I'll always be there  
Promise I'll be the cure (be the cure) Rub your feet, your hands, your legs  
Let me take care of it, babe  
Close your eyes, I'll sing your favorite song  
I wrote you this lullaby  
Hush now baby, don't you cry  
Anything you want could not be wrong  
So baby tell me yes  
And I will give you everything  
So baby tell me yes  
And I will be all yours tonight  
So baby tell me yes  
And I will give you everything  
I will be right by your side If I can't find the cure, I'll  
I'll fix you with my love  
No matter what you know, I'll  
I'll fix you with my love  
And if you say you're okay  
I'm gonna heal you anyway  
Promise I'll always be there  
Promise I'll be the cure (be the cure) I'll fix you with my love  
(I'll fix you with my love-lo-love)  
I'll fix you with my love  
(I'll fix you with my love-lo-love) If I can't find the cure, I'll

I'll fix you with my love  
No matter what you know, I'll  
I'll fix you with my love  
And if you say you're okay  
I'm gonna heal you anyway  
Promise I'll always be there  
Promise I'll be the cure (be the cure)  
Promise I'll be the cure (be the cure)I'll fix you with my love
