

# Whatcha Say

Jason Derulo

Wha-wha-wha-wha-what did she say?  
Mmh whatcha say  
Mmh that you only meant well?  
Well, of course you did  
Mmh whatcha say (Jason Derulo)  
Mmh that it's all for the best?  
Of course it is I was so wrong for so long  
Only tryin' to please myself (Myself)  
Girl I was caught up in her lust  
When I don't really want no one else So no, I know I should of treated you better  
But me and you were meant to last forever  
So let me in (let me in) give me another chance (another chance)  
To really be your man  
'Cause when the roof cave in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you So tell me girl  
Mmh whatcha say  
Mmh that you only meant well?  
Well, of course you did  
Mmh whatcha say (Oh whatcha say, whatcha say)  
Mmh that it's all for the best?  
Of course it is Mmh whatcha say  
Mmh that you only meant well?  
Well, of course you did  
Mmh whatcha say (Oh whatcha say, whatcha say)  
Wha-wha-wha-wha-what did she say?  
How could I live with myself  
Knowing that I let our love go (Love go)  
And ooh, when I do with one chance  
I just gotta let you know I know what I did wasn't clever  
But me and you we're meant to be together  
So let me in (let me in) give me another chance (another chance)  
To really be your man 'Cause when the roof cave in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you So tell me girl  
Mmh whatcha say
