

# Rest, Shame, Love

## Augustana

Breaking up with your breakdown  
Standing tall in your white gown  
You're going nowhere, you're going fast  
Slowing down but you'll never last  
Take your time woman, take your time  
It's the wrong dream with the wrong man  
With a cold gun in your own hand  
Get it right this time, get it off your mind  
Let the summer rain bring you rest and shame and love  
Carve your name in a black stone  
Swear to God we won't let go  
If you can't love babe then you can't hurt  
We take the good times with the worst  
Take your time woman, take your time  
It's the wrong dream with the wrong man  
With a cold gun in your own hand  
Get it right this time, get it off your mind  
Let the summer rain bring you rest and shame and love  
It's the wrong dream with the wrong man  
With a cold gun in your own hand  
Get it right this time, get it off your mind  
Let the summer rain bring you rest and shame and love  
Let the summer rain bring you rest and shame and love  
And love, and love, and love, and love, and love
