Gang of Rhythm

Walk Off the Earth

I got this old guitar The strings are rusty But it's all I need Bring in the kick drum It can back the beat Let's gather round and sing a song I got a shaker too The kinds of sound That wants to make you move Bring in the uke It will complete the groove Let's gather round and sing a song There's no worries on the earth tonight We're all walkin' off the world tonightCome on now everyone yeah Come on now everyone We're like a locomotive Under the big hot sun We're chained to the gang of rhythm The song is never done Come on now everyone yeah Come on now everyone Come on everyoneWe got this melody Bring in the harmony like CSNY To write a tune you know will never die Let's gather round and sing a songThere's no worries on the earth tonight We're all walkin' off the world tonight Come on now everyone yeah Come on now everyone We're like a locomotive Under the big hot sun We're chained to the gang of rhythm The song is never done Come on now everyone yeah Come on now everyone Come on everyoneAnd when the night is done These chains will hold us strong The chords will carry on Long after we're gone oh ohThere's no worries on the earth tonight We're all walkin' off the world tonightCome on now everyone yeah Come now everyone We're like like a locomotive Under the big hot sunCome on now everyone yeah

Come on now everyone We're like a locomotive Under the big hot sun We're chained to the gang of rhythm The song is never done Come on now everyone yeah Come on now everyone Some on everyoneWe got this melody Come on everyone Bring in the harmony Come on everyoneI got this old guitar The strings are rusty But it's all I need...
