My First Love Was Hot Like Jamaica,
Doidnt Care Wot Ma Boys Sed,
I Wanted To Take Her,
And Wen She Was Nothing,
I Wanted To Make Her My W.I.F.E.Y,
Yes Me,
We Went Together Like Peaches And Cream,
And Teachers And Teens,
And Shoes And Jeans,
And I Sed Tht,
Cause We Was So Sophisticated,
On The First Date,
I Was Late,
But You Still Waited,
I Wasn't Late On Purpose,
I Swear 2 You,
You Know I've Made Mistakes In The Past,
But I'm There For You,
I Didn't No Time Went So Fast,
It's Mad B,
We Broke Up,
But I Wanna Be Your Man B,
I Wanna Be Your Man

Look, Cause I Want You 2 Much,
Your Too Much To Touch,

Baby Your Too Buff,
2 2's
We Both Do 2 Mch,
And We Both Know I Held You Down Like A Clutch,
So Please Don't Rush,
Into A Next Relationship,
Remember The Days We Spent Together,
From 11am Til 6,
And U See You Yeah,
I Like You 2 Bits,
I Ain't Ready For The Quits,
So Please Don't Quit It,
It Will Be Fixed,
Our Relationship I Wrote It,
Down In A Tune,
Now U Hear It,
