

# So Fine

## Ginuwine

She's so fine, fine, fine  
She's a dime, dime, dime  
She's so fine, fine, fine  
She's all mine, mine, mine She can make you lose control, but I'm a keep it on the low  
Just to see her pretty face makes you want her (want her)  
Can't explain the way it feels, but I know the feelings real  
I can't wait to get her home so I can love her She's so fine, fine, fine  
She's a dime, dime, dime  
She's so fine, fine, fine  
She's all mine, mine, mine She's the only one for me, treat her like she's supposed to be  
Love her from her head to toe, she's my boo, girl (boo girl)  
Give her everything she likes - even bought her all her ice  
Ain't nothing that I won't do 'cause I love her  
She's so fine, fine, fine  
She's a dime, dime, dime  
She's so fine, fine, fine  
She's all mine, mine, mine Look... You'll she's the beautifulest thing to me  
If you don't believe just take one look  
When you do you see you will be hooked  
You can't deny, she's the baddest thing and OH SO FINE  
If you don't believe just take one look  
When you do, you see you will be hooked Breakdown She's so fine, fine, fine  
She's a dime, dime, dime  
She's so fine, fine, fine  
She's all mine, mine, mine  
She's so fine, fine, fine  
She's a dime, dime, dime  
She's so fine, fine, fine  
She's all mine, mine, mine
