## **Come Back Song**

## **Darius Rucker**

I woke up again this morning
And wouldn't you know it pouring rain
I went and burned a pot of coffee
And like that I poured it down the drain'Cause I didn't know I needed you so
And letting you go was wrong
And baby I know you got your radio on

So this is my my bad, come back songI know I said I wouldn't miss you

But now I'm saying I'm a fool

You're on the feel good side of leaving

And I'm the backside of a mule

'Cause I didn't know I needed you so

And letting you go was wrong

And baby I know you got your radio on

So this is my so sad come back songAnd now I'm laying down without you

In this king size empty bed

And I wish I had my arms around you

Now I'll just dream of you instead'Cause I didn't know I needed you so

And letting you go was wrong

And baby I know you got your radio on

So this is my get back, come backHey, I didn't know I needed you so

And letting you go and letting you go was wrong

And baby I know you got your radio on

So this is my my bad, come back songOh yeah yeah

I know I said I wouldn't miss you

Na na na na na na na na, yeahCome on nowThis is my my bad, come back song Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
