

Showers

Junglepussy

[Verse 1: Junglepussy]

Silly conversation

Making silly conversation

Silly conversation

Making silly conversation (true story)

I once bought a fishy ishy

Left him in the sink through dishy ishy

And I named him Purple Rain

Raindrops [?] down my windowpane

Then I got some good loving

And I thought that it would ease the pain

Scars on my body-ody

Cutting like decorations

[Hook: Junglepussy]

Shower with my chains on

Took a shower, all my chains on

Shower with my chains on

Took a shower, all my chains on

Shower with my chains on

Took a shower, all my chains on

Shower with my chains on

Took a shower, all my chains on [Verse 2: Junglepussy]

Riding through my old hood

But I got a new weave

I been eating tangerines

All on public transit seats

Hit me for the meet and greet

If you wanna run your [?]

Chickens talking shit 'bout me

They need to go and brush their teeth

[Bridge: Zachary]

[?]

And he's going to turn the off the [?]

'Cause you're doing too much talking [Hook: Junglepussy & Zachary]

Shower with my chains on

Took a shower, all my chains on

Shower with my chains on

Took a shower, all my chains on

Shower with my chains on

Took a shower, all my chains on

Shower with my chains on

Took a shower, all my chains on [Outro: Zachary]

...chains on
I'm.. I'm singing
