

# Hey Girl (feat. Florence Welch)

## Lady Gaga

Hey girl, can you hear me? Are you holding out your heart?  
Hey girl, do you feel me? Sometimes I go too far  
Hey girl, it ain't easy, I know it's pulling me apart  
But, darling, don't you leave me, baby, don't you leave me  
Hey girl, hey girl, we can make it  
easy if we lift each other  
Hey girl, hey girl, we don't need to keep on one-in' up another  
Hey girl, hey girl, hey girl, hey  
girl  
If you lose your way, just know that I got you  
Just know that I got you  
Lady, is it lonely? I been calling out your name  
Tell me that you need me, 'cause I need you just the same  
Every day a heartache, I'm just trying to keep it sane  
But I know you believe me, baby, don't you leave me  
Hey girl, hey girl, we can make it easy if we lift each other  
Hey girl, hey girl, we don't need to keep on one-in' up another  
Hey girl, hey girl, hey girl, hey  
girl  
If you lose your way, just know that I got you  
Help me, hold my hair back  
Walk me home, 'cause I can't find a cab  
And we dance down the Bowery  
Held hands like we were 17 again  
And then it's 4 a.m., the sun is creeping up again  
Don't you leave me, oh, darling, don't you leave me  
Hey girl, hey girl, we can make it easy if we  
lift each other  
Hey girl, hey girl, we don't need to keep on one-in' up another  
Hey girl, hey girl, hey girl, hey  
girl  
If you lose your way, just know that I got you  
Just know that, just know that, just know that I got you  
Just know that, just know that, just know that  
Help me, hold my hair back  
Walk me home, 'cause I can't find a cab  
And we dance down the Bowery  
Held hands like we were 17 again
