

# Live and Let Die

## Wings

When you were young  
And your heart  
Was an open book  
You used to say  
Live and let live!  
(You know you did, you know you did, you know you did)  
But if this ever changing world  
In which we live in.  
Makes you give in a cry  
Say live and let die!  
(Live and let die!)  
Live and let die!  
(Live and let die!)  
What does it matter to ya?  
When you got a job to do  
You gotta do it well.  
You got to give the other them a hand!  
You used to say  
Live and let live  
(You know you did, you know you did, you know you did)  
But if this ever changing world  
In which we live in  
Makes you give in a cry  
Say live and let die!  
(Live and let die!)  
Live and let die!  
(Live and let die!)
