## Petite Noir

Did you know you're beautiful?  
In every single way  
Love is just so magical  
I love it any day  
And you know now  
I love you till the motherfucking very end  
Just don't  
Or you're gonna be my very end  
Just don't  
Or you're gonna be my heaven sent  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
You're the one that I need  
Did you know you're magical  
I'm caught up every day  
Our love is just so music  
It's melody over ways  
Bet you know now  
I love you till the motherfucking very end  
Just don't  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
You're the one that I need  
Did you know it's a hole inside  
Apology or no apology  
Cause you're the one that I want  
You're the one that I need  
Did you know if you walk me now  
I'll kneel it down, on both my knees  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need  
Cause you're the one that I want  
You're the one that I need

Cause you're the one that I want  
You're the one that I needby: Ruan Alvo
