

Today's the Day

America

Hold me close
You turn nighttime into day
And you're the most
Brightest star that lights my way So come home to me now
'Cause it won't matter anyhow
I've got this feeling that today's the day
I've got this feeling today's the day Turn me out
Turn me out on this fine day
'Cause all about
All the people like to play
So come home to me now
'Cause it won't matter anyhow
I've got this feeling that today's the day
I've got this feeling today's the day
I've got this feeling that today's the day
I've got this feeling today's the day Oo, oo ... Hold me close
You turn nighttime into day
And you're the most
Brightest star that lights my way
So come home to me now
'Cause it won't matter anyhow
I've got this feeling that today's the day
I've got this feeling today's the day
I've got this feeling that today's the day
I've got this feeling today's the day
I've got this feeling today's the day
I've got this feeling today's the day ...
