

# All I Have (feat. LL Cool J)

Jennifer Lopez

Lovin' life and life is livin'  
It's very specialBaby, don't go, baby, don't go  
Baby, don't go, baby, don't goIt's such a shame but I'm leavin'  
Can't take the way you're mistreatin' me  
And it's crazy, but oh, baby  
It don't matter, whatever, don't phase meI don't believe you wanna leave like this  
I don't believe I just had my last real kiss  
I do believe we'll laugh and reminisce  
Wait a minute, don't bounce, baby  
Let's talk about this messWell, I'm bouncin' and I'm out, son  
I gotta leave you alone  
'Cause I'm good, holdin' down my spot  
And I'm good, rappin' the girls on the block  
And I'm good, I got this thing on lock  
So without me you'll be fine, right?All my pride is all I have  
Your pride is what you had, baby girl, I'm what you have  
You'll be needin' me but too bad  
Be easy, don't make decisions when you madThe path you chose to run alone  
I know you independent, you can make it on your own  
Here with me you had a home, oh, yeah  
The time is of the essence, why spend it aloneSome nights I waited up for you  
Promises you made about comin' through  
So much time you wasted  
That's why I had to replace you  
It makes a cat nervous, the thought of settlin' down  
Especially me, I was creepin' all over town  
I thought my tender touch could lock you down  
I knew I had you, as cocky as it sounds  
The way you used to giggle right before I put it down  
It's better when you're angry come here, I'll prove it now, come hereStop playin', you gamin'  
I gotta leave you alone'Cause I'm good, holdin' down my spot  
And I'm good, rappin' the girls on the block  
And I'm good, I got this thing on lock  
So without me you'll be fine, right?All my pride is all I have  
Your pride is what you had, baby girl, I'm what you had  
You'll be needin' me but too bad  
Be easy, don't make decisions when you madThe path you chose to run alone  
I know you independent, you can make it on your own  
Here with me you had a home, oh, yeah  
The time is of the essence, why spend it alonePeople make mistakes to make up, to break up, to  
wake up  
Cold and lonely chill baby you know me you love me

I'm like your homey instead of beef and confomy  
I promise I'm not a phony, don't bounce baby console me, come hereAin't nothin' you can say  
to me that can change my mind  
I gotta let you go now  
And nothin' will ever be the same, do just be on your way  
Go head and do your thang now  
And there's no more to explain to me, you know  
I know you game I'm not feelin' what you doSo I'm bouncin' and I'm out, son  
I gotta leave you alone, yeah, yeahAll my pride is all I have  
Your pride is what you had, baby girl, I'm what you have  
You'll be needin' me but too bad  
Be easy, don't make decisions when you madThe path you chose to run alone  
I know you independent, you can make it on your own  
Here with me you had a home, oh, yeah  
The time is of the essence, why spend it aloneAll my pride is all I have  
Your pride is what you had, baby girl, I'm what you had  
You'll be needin' me but too bad  
Be easy, don't make decisions when you madThe path you chose to run alone  
I know you independent, you can make it on your own  
Here with me you had a home, oh, yeah  
The time is of the essence, why spend it alone
