

Wheels Rollin'

Jason Aldean

Countin the lines on a highway road
Mile one by one
Fightin through the midnight rain
Like a bullet from a gun I lay down but I can't sleep cause I still feel the band
Still on a high from the crowd in the lights with a cold one in my hand Singin Here I go, Down
this road
Another town, Another state
I wouldn't have it any other way All I want, is to sing my songs
Hearin that crowd, keeps me goin
Guitars rockin, wheels rollin'
I step up, the lights go down
I hear that first chord ring
It's where I go to lose myself
Forget about everything It's my home away from home
Hangin with my friends
It's a crazy life, but every night
I get to do it again and again and again Here I go, Down this road
Another town, Another state
I wouldn't have it any other way All I want, is to sing my songs
Hearin that crowd, keeps me goin
Guitars rockin, wheels rollin' Here I go, Down this road
Another town, Another state
I wouldn't have it any other way
All I want, is to sing my songs
Hearin that crowd, keeps me goin
Guitars rockin, wheels rollin' Here I go
On down this road
Don't you know
I wouldn't have it any other way
