

Open Your Eyes

Maher Zain

Look around yourselves
Can't you see this wonder
Spreaded in front of you
The clouds floating by
The skies are clear and blue
Planets in the orbits
The moon and the sun
Such perfect harmony Let's start question in ourselves
Isn't this proof enough for us
Or are we so blind
To push it all aside
No We just have to
Open our eyes, our hearts, and minds
If we just look bright to see the signs
We can't keep hiding from the truth
Let it take us by surprise
Take us in the best way
(Allah)
Guide us every single day
(Allah) Keep us close to You
Until the end of time Look inside yourselves
Such a perfect order
Hiding in cells
Running in your veins
What about anger love and pain
And all the things you're feeling
Can you touch them with your hand?
So are they really there? Let's start question in ourselves Isn't this proof enough for us?
Or are we so blind
To push it all aside?
No. We just have to
Open our eyes, our hearts, and minds
If we just look bright to see the signs
We can't keep hiding from the truth
Let it take us by surprise
Take us in the best way (Allah)
Guide us every single day.
(Allah)
Keep us close to You
Until the end of time When a baby's born
So helpless and weak
And you're watching him growing

So why deny
Whats in front of your eyes
The biggest miracle of life We just have to
Open our eyes, our hearts, and minds
If we just look quiet we'll see the signs
We can't keep hiding from the truth Let it take us by surprise
Take us in the best way
(Allah)
Guide us every single day
(Allah)
Keep us close to You
Until the end of time Open your eyes and hearts and minds
If you just look bright to see the signs We can't keep hiding from the truth
Let it take us by surprise
Take us in the best way
(Allah)
Guide us every single day
(Allah)
Keep us close to You
Until the end of time
Allah
You created everything
We belong to You
Ya Robb we raise our hands
Forever we thank You
Alhamdulillah
