

I Saw Her Standing There

Little Richard

[1, 2, 3, 4!] Well, she was just 17 You know what I mean
And the way she looked was way beyond compare
So how could I dance with another (Ooh) When I saw her standing there Well she looked at me,
and I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another (Whooh) When I saw her standing there Well, my heart went
"boom" When I crossed that room
And I held her hand in mine... Whoah, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another (Whooh) Since I saw her standing there Well, my heart went
"boom" When I crossed that room
And I held her hand in mine... Whoah, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another (Whooh) Since I saw her standing there
