I Saw Her Standing There

Little Richard

[1, 2, 3, 4!]Well, she was just 17You know what I mean And the way she looked was way beyond compare So how could I dance with another (Ooh)When I saw her standing there Well she looked at me, and I. I could see That before too long I'd fall in love with her She wouldn't dance with another (Whooh)When I saw her standing there Well, my heart went "boom"When I crossed that room And I held her hand in mine... Whoah, we danced through the night And we held each other tight And before too long I fell in love with her Now I'll never dance with another (Whooh)Since I saw her standing there Well, my heart went "boom"When I crossed that room And I held her hand in mine... Whoah, we danced through the night And we held each other tight And before too long I fell in love with her Now I'll never dance with another (Whooh)Since I saw her standing there
