

# More than My Hometown

Morgan Wallen

[Verse 1]

Girl, our mamas are best friends and so are we  
The whole town's rooting for us?like?the home team  
Most?likely to settle down  
Plant a few?roots real deep and let 'em grow  
But we can't stop this real world from spinnin' us  
Your bright lights called, I don't blame you for pickin' up  
Your big dream bags are all packed up and ready to go  
But I just need you to know[Chorus]  
That I love you more than a California sunset  
More than a beer when you ain't twenty-one yet  
More than a Sunday morning Lord  
Turnin' some poor lost souls 'round, and Hallelujah bound  
Yeah, I love you more than the feeling when the bass hits the hook  
When the guy gets the girl at the end of the book  
But, baby, this might be the last time I get to lay you down  
'Cause I can't love you more than my hometown

[Verse 2]

I ain't the runaway kind, I can't change that  
My heart's stuck in these streets like the train tracks  
City sky ain't the same black  
Ain't that a map dot shame, man, to think that[Chorus]  
I love you more than a California sunset  
More than a beer when you ain't twenty-one yet  
More than a Sunday morning Lord  
Turnin' some poor lost souls around, and Hallelujah bound  
Yeah, I love you more than the feeling when the bass hits the hook  
When the guy gets the girl at the end of the book  
But, baby, this might be the last time I get to lay you down  
'Cause I can't love you more than my hometown

[Bridge]

Yeah, you got a wild in your eyes that I just wasn't born with  
I'm a same gas station cup of coffee in the mornin'  
I need a house on the hill, girl, not in 'em  
So hang onto these words 'til them avenues help you forget 'em[Chorus]  
'Cause I love you more than a California sunset  
I love you more in a twenty-dollar sundress  
Hate that loaded down car you got your keys in  
Girl, but I hate even more that you're leavin'  
'Cause I love you more than the feeling when the bass hits the hook  
When the guy gets the girl at the end of the book  
But that ain't you and me so I guess I'll see you around

'Cause I can't love you more than my hometown[Outro]  
Love you more than my hometown  
Love you more than my hometown  
Love you more, baby, love you more
